## Parking

### Station car parks

Most of our stations have car parks, where you can leave your car before or after the trip. You will earn time and benefit from the comfort of leaving your car directly at the station, without having to park on the street.

In addition, if you are a **+Renfe customer** you can park for free, as long as:

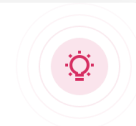

- You are a +Renfe or +Renfe Plata cardholder and travel in Comfort seats on AVE or Larga Distancia (Long Distance) trains (except for the car park at Madrid Puerta de Atocha station).
- You are a +Renfe Gold or +Renfe Premium cardholder and travel on AVE, Larga Distancia (Long Distance) or Avant (mid-distance high-speed) trains, regardless of the type of seat you use.

In both cases you can park for free for a period of time of 24 hours (if your ticket is a single journey) or 48 hours (if you have two routes with the same locator and provided that destination 1 coincides with the origin of route 2).

The Tarjeta +Renfe (loyalty programme) card must be valid and your loyalty programme number must be printed on the ticket.

### Remember that...

You should always collect the parking ticket when accessing the car park. At the time of payment, you will have to validate it either automatically (through the ATMs, by scanning the barcode, Bidi or QR code of your ticket) or manually, handing it over it along with your ticket to the car park staff.
